Sir:

The above-referenced utility patent application was couriered to the Patent Office on June 7, 2005. The application papers lacked a Sequence Listing in paper form and in computer-readable form, which listing is provided in this submission. Transmitted herewith is a Sequence Listing in paper form and in a computer readable format.

I certify hereby that the paper and computer readable copies of the Sequence Listing submitted herewith contain the same information and that no new material is added by this submission.

:

Applicant/Attorney invites the PTO to contact it at the address given below, should this amendment be considered insufficient in any way.

Date: June 20, 2005

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Richard Voellmy". The signature is fluid and cursive, with a long horizontal stroke at the end.
